Dear Simon and Clare,

I felt that I must write and thank you for initiating and organising the splendid concert yesterday. Everyone enjoyed it thoroughly and it generated a great deal of interest in the musical activities of the museum. The generosity of the orchestra in giving their time to provide this fund-raising entertainment is greatly appreciated by the Horniman Friends committee, and, of course, by the museum.

Some members of the orchestra enquired about extra copies of programmes - if it would be possible to indicate how many are required I would be very happy to arrange for more copies to be made.

With all good wishes for the success of the orchestra's summer season in Colchester,

Yours sincerely,

*Margaret Birley*
